

Application No.: 10/621,976
Date of Response: 03/01/2005
Reply to Notice of 02/23/2005

REMARKS

This Amendment is being entered in response to the Notice of Non-Compliant Amendment of February 23, 2005. In this Notice, the following note was made:

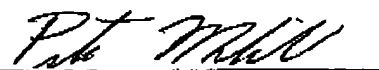

5 The amendments to the claims allegedly did not contain the proper status identifier.

Upon review of the amendment as filed, it is unclear what identifier is improper. Claims 1 to 151 and claims 232 to 237 were withdrawn and were properly identified as withdrawn. The remaining claims were identified as
10 "currently amended" or "original" as appropriate. The previously amended claims were identified as "previously amended." In a good faith effort to comply with the requirements of the Notice, the phrase "previously amended" has been changed to "previously presented."

The applicants believe that the enclosed listing of claims obviates the
15 Notice of Non-Compliant Amendment.

To the extent necessary, please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 50-2753 and credit any excess fees to such deposit account. If
20 necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made.

Respectfully submitted,
Howard J. Greenwald P.C.
